> **“Camp just keeps getting better and better every year... I can’t wait till the next one!”**

> **“A week of camp, a lifetime of memories and friendship”**

We are offering campers over the age of 8 the solution to summer holiday boredom by keeping them active and laughing with the experience of a lifetime. Our multi-activity camp combines sport and arts with a play fuelled programme.

If your child loves filling their day with non-stop energy, creativity and pure fun, then we guarantee that SSTW Camp 2017 is the place for them to be! The camp cost is **£65** for all attendees, with age groups being split into under 16’s and over 16’s this year to cater for all ages and encourage more fun!

SSTW Camp has been providing an outdoor, environmental, adventurous and spiritual program for boys and girls for the past 17 years. Our camps promote the practice of conservation, responsibility and stewardship through traditional camp activities. By stepping out on their own, the campers encounter challenging experiences in a supportive and group living environment. They will learn to build relationships, share adventures and take on responsibilities. This allows them to:

### Develop Independance

Our campers layout their own sleeping bags, choose their own activities and decide how to spend their free time. They’re encouraged to think for themselves and make their own decisions. As always, camp volunteers are always around to offer encouragement, suggestions and guidance.

### Increase Self-Esteem

The camp is a special place where positive qualities and attitudes are constantly stressed and emphasised. Our volunteers are the cheerleaders as the campers take risks, set goals and try new activities.

### Be Themselves

There are no social pressures at camp, only encouragement and positive reinforcement. Your child is encouraged to be the best that he or she can be! They are encouraged to develop and strengthen the unique qualities that make them the unique individuals.

### Make Friendships

Making friends is one of the easiest things to do at camp. Your child is surrounded by other campers of a similar age who are all encouraged to make friendships.

### Learn and Adventure

Your child has the opportunity to experience various activities and games. They have the chance to develop the social skills required to become a competent adult. They will learn, develop, create, discover and encounter new adventures.

Your child will be able to take part in various practical workshops which will enable them to increase their understanding about the Swaminarayan Sampraday.

## Open Day on Sunday 20th August 2017

Open Day is an invitation from us to invite you for the day to join in on all the fun and games. It is your chance to see for yourself what the kids at the SSTW Camp have been learning and participating in. Open day ends the under 16 camp. Those who participated in that camp will be heading home with their parents that evening.

We have a jam-packed day full of lots of activities for you and your family to get involved with including various workshops to inspire you. Lunch and dinner will also be provided.

Whilst you take a short break to get your breath back in between the day don't forget to purchase our raffle tickets to win great prizes, with all proceeds being given to a nominated charity. From inflatables to face painting, sports to family activities you and your family are guaranteed to be occupied and entertained the whole day.

With so much going on, this years Camp is an experience that you just cannot miss. Just ask the 400 youngsters that attended in the last three years!

No doubt this year will be big, its up to you if you want to be a part of it.
